“automatic lubrication”
(see left column)

Long and unplanned downtimes are lost profit...

A good reason for Durwen ServicePlus Technology.

- ◀ As few components as possible.
- As robust as possible.
- As easy to maintain as possible.
- As flexible and durable as possible.
- Giving our customers considerable advantages in cost efficiency.

DSP-Technology is the Durwen ServicePlus performance that gives maximum utilisation with a minimum of maintenance and repair cost. DSP-Technology allows quick and easy parts replacement by means of bolted modular key components.

DSP-Technology means:

- ▶ many common parts
- ▶ reduced maintenance costs

- ▶ wear parts with a first rate service life
- ▶ excellent product service life
- ▶ extended maintenance intervals
- ▶ reduced maintenance work
- ▶ maximum efficiency

The Durwen ServicePlus package is based upon decades of Expertise - Know How that benefits customers because DSP-Technology is extra profit without extra costs.

DSP-Technology means short, managed maintenance intervals and reasonably priced replacement spare parts.

DSP-Technology is enhanced profit technology.
