

# Fishing industry version

**Fishing**

Fork clamps PGK (integral sideshift) PGK-S (constant sideshift)		
type	width B mm	remarks*
PGK		
PGK 15-25	up to 1150	<ul style="list-style-type: none"><li>• frame, sideshift rail, protection strip and arm carriers galvanized</li><li>• cylinder and forks in seawater-resistant paint RAL 7021</li><li>• fork blade and fork back with VA-coating</li><li>• galvanized bolts and hooks</li><li>• seawater-resistant piston rods and locking nuts</li><li>• bolts sealed with silicone</li></ul>
PGK 30-35	up to 1350	
PGK 40-48	up to 1550	
PGK 50-60	up to 1750	
PGK 80-100	up to 2000	
PGK-S		
PGK 15-25-S	up to 1150	<ul style="list-style-type: none"><li>• frame, sideshift rail, protection strip and arm carriers galvanized</li><li>• cylinder and forks in seawater-resistant paint RAL 7021</li><li>• fork blade and fork back with VA-coating</li><li>• galvanized bolts and hooks</li><li>• seawater-resistant piston rods and locking nuts</li><li>• bolts sealed with silicone</li></ul>
PGK 30-35-S	up to 1350	
PGK 40-48-S	up to 1550	
PGK 50-60-S	up to 1750	
PGK 80-100-S	up to 2000	

image shows type PGK-F

Revolving fork clamp DUZ (without sideshift) DUZ-S (constant sideshift)		
type	width B mm	remarks*
DUZ		
DUZ 15-25	up to 1150	<ul style="list-style-type: none"><li>• frame, sideshift rail, protection strip and arm carriers galvanized</li><li>• rotator, cylinder and forks in seawater-resistant paint RAL 7021</li><li>• fork blade and fork back with VA-coating</li><li>• galvanized bolts and hooks</li><li>• seawater-resistant piston rods and locking nuts</li><li>• bolts sealed with silicone</li></ul>
DUZ 30-35	up to 1350	
PGK 40-48	up to 1550	
DUZ 50-60	up to 1750	
DUZ 80-100	up to 2000	
DUZ-S		
DUZ 15-25-S	up to 1150	<ul style="list-style-type: none"><li>• frame, sideshift rail, protection strip and arm carriers galvanized</li><li>• rotator, cylinder and forks in seawater-resistant paint RAL 7021</li><li>• fork blade and fork back with VA-coating</li><li>• galvanized bolts and hooks</li><li>• seawater-resistant piston rods and locking nuts</li><li>• bolts sealed with silicone</li></ul>
DUZ 30-35-S	up to 1350	
DUZ 40-48-S	up to 1550	
DUZ 50-60-S	up to 1750	
DUZ 80-100-S	up to 2000	

image shows type DUZ-F
